ZGYPT Financial Aid Application

for First Steps, Children's and Youth Theatre, and Film Workshops at Portage Center for the Arts

Financial Aid is determined based on proof of financial need and may be awarded in full or in part. No one is denied access to the program due to verifiable financial burden. Requests may be denied if the class is at capacity, under-enrolled and therefore not running, any documentation is missing, or if the applicant does not financially qualify or meet all deadlines. We are happy to make copies for you, if needed. *Please note: Financial information will be kept confidential, and will only be used for purposes related directly to processing the Financial Aid Application for ZGYPT programs.*

Applications will be processed in the order they are received. Financial Aid will be determined at least one week prior to the start of class. **Financial Aid Application deadline is May 31 for all workshops. No late applications will be considered.**

Financial need is determined by the Household Size Income Scale for USDA Nutrition Programs.
