Drury Gallery Exhibit Artist Application

The Drury Gallery hosts month-long exhibits for individual artists (or groups of artists) during the months of September, October, November, January, February and May. Generally the exhibit opens on the first Friday of the month with a reception from 4p to 6p, and the exhibit runs through to the last Saturday of the month. Set-up is usually the Wednesday before the first Friday and Take-down is the Tuesday after the last Saturday. The PCA Visual Arts Committee begins meeting in January each year to choose the artists for the following season (September through May). Artist work is available for sale with PCA receiving 30% of the sales. If you are interested, please complete and submit this application (along with 2 or 3 images of your work) to the PCA office.

I am also interested in quarterly art exhibits at Tivoli, a Divine Savior Healthcare Facility.

Background in art & comments

Education/Experience

Media in which you work

Style of your work

Where you have exhibited previously

Name _____

Address _____

Phone _____

Email _____

Website _____

NOTE

Please submit 2 or 3 digital or hard copy images your work.

We do not keep these applications after the season selections have been made. You must complete an application each year you apply.

If you exhibit in the gallery, you will not be considered for another exhibit for five years.
